

CHILDREN'S MINISTRY

As the Children's Ministry takes on a new face to many (old to others ☺) we want to invite you all to a Parent Orientation. If you have a child from birth to 5th grade please make plans to meet on Sunday, February 2, right after church. The children will serve lunch and then childcare will be provided in the gym while adults meet and look at goals for our Children's Ministry Program in the Family Life Center. Because I am passionate about the role that church plays in the Christian life of our children and families, it is my hope that at least one parent from each family in our church can attend. There will be food, door prizes, and resources available for everyone. Please sign up in the church office.

CONFORMED VS TRANSFORMED

To conform means to act in accordance with the prevailing standards, attitudes and practices of a society or group. However, transform implies a major change in form, nature or function so that the thing or person is improved.

That is why in Romans 12:2 it tells us not to conform to this world, but be transformed by the renewing of your mind. In the chapters previous to this scripture Paul tells us God justifies the believer, enables the believer to live a righteous life and has been faithful to Israel. Now he says the believer must sacrifice their body. When something was sacrificed under the Levitical system it became holy. The body is an instrument of sin so that when we sacrifice it to God through faith in Jesus Christ it becomes a channel through which the righteousness of God is manifested.

Wherefore gird up the loins of your mind, be sober, and hope to the end for the grace that is brought unto you at the revelation of Jesus Christ.
1 Peter 1:13
