

**FRAMEWORK FOR REGATHERING  
ON SUNDAY, JUNE 21**

1. Our first priority is the safety and health of our congregation and staff.
2. We will initially meet in the sanctuary on Sundays at 9:00 a.m. and 10:30 a.m.
3. We will live-stream the 9:00 a.m. service so that those who cannot attend will be able to worship along with us wherever they are.
4. The 10:30 a.m. service will be primarily for families with young children, since there will be no nursery or childcare. But, others are welcome to attend the service.
5. We will allow 45 minutes between the services to clean and sanitize the sanctuary.
6. We will encourage you to follow the example of our church staff and wear a facial covering before and after worship while in the sanctuary. Of course, you can choose to wear your mask the entire time.
7. We will encourage you to practice social distancing, refrain from physical contact (handshakes, hugs, etc.), and sit only on designated pews. Sanctuary seating will be limited, therefore our ushers will be glad to assist you as you enter and exit the sanctuary. Seating will be available on every other pew. Members of the same family can sit together; however, social distancing must be maintained with other worshippers.
8. We will screen our volunteers by taking their temperature with a forehead thermometer as they arrive.
9. We will have hand sanitizer available to use as you arrive and leave.
10. We will have offering plates at the Sanctuary entrances/exits for you to place your offerings as you enter or exit. Hymnals, Bibles and all other material will be removed from the racks in the pews. The Fellowship Pads and worship bulletins will not be available.

11. We respectfully ask those who are in the high-risk categories, who are sick or have a fever and those who have any COVID-19 symptoms to please stay at home. Also, if you have been exposed to COVID-19 in the past 14 days, please do not attend.
12. We are excited about regathering and want to make our time together wonderfully meaningful for everyone. We ask for your continued prayers, support, patience and cooperation as we prepare to return to worship in our sanctuary.

**USE IT OR LOSE IT**

This is a philosophy often associated with skills learned through training in such things as riding a bike or in playing a sport or musical instrument. It also applies to Christian faith.

A Christian's faith is strengthened as they spend more time in prayer, study and application. If one does not take the time to daily practice these three, their ability to grow their faith is compromised and they lose out on the blessings the Lord wants to give to every believer.

So let us spend time:

**Trusting** that God's plans are greater than we can imagine.

**Praying** like we mean it.

**Reading** God's Word and letting His commands and instructions be our guide.

**Living** out God's Word and striving to be better than we were yesterday.

**Being** a light unto the world so that our actions draw people closer to God.
