

## STATE MISSIONS OFFERING GOAL \$7,000

Radiant Community – Charleston, SC

Radiant Community is an intentionally diverse church plant located in North Charleston. Pastor Philip Pinckney planted the church three years ago in order to be a Gospel light in a hard part of the city. He's married to Jenny and has two sons, Ezra and Judah, with a girl on the way! Through the Starr Network and partnership funding through State Missions Offering, Pastor Philip and Radiant Church have been able to provide for the physical needs of those in their communities, while also giving the neighborhood the Hope of the Gospel.

Prayer Requests:

- Pray for financial provision as we continue to grow and serve our community
- Pray for God to raise up Godly leaders within the church
- Pray for greater unity in our church as we are a diverse congregation
