God Speaks

Do you remember the story of Elijah? He was running for his life from Jezebel. He was tired, exhausted, frustrated, and felt all alone. He had enough and told God it is enough; take away my life. He wanted to die; maybe because he thought he had failed God.

Sometimes we become discouraged in our efforts to be kingdom disciples. Like Elijah we feel alone and tired and just want to give up. However, this story tells us to stop focusing on our own self and problems and just listen for God to speak to us. It also tells us to obey that still small voice and keep working for God; remembering that He writes the ending for our life.

God alone provides for our needs. Even when we give up on ourselves, God does not give up on us. We can never out give God. It is through Christ alone that we are victorious and able to live for Him now so that we can reign with Him for all eternally.

The next five (5) weeks we will look at some Songs of Faith.
