HE REIGNS

A church in California opened its doors to those who had been devastated by the wildfires. They ignored their rules and regulations to help meet the needs of the displaced families. Tradition, rules and regulations are good but they can become a barrier to ministry outside the church. **We have to ask, are we willing to change to meet needs, embrace our communities and reach people for Christ?**

Jesus placed human need above religious ritual. He affirmed faith rather than praise legalism. He called people to follow God rather than simply engage in religious routines.

Too often today we forget that the church is not an institution to be served, but a people beloved of God and called to love God and others as themselves. **May we hear the words of Jesus and humbly submit ourselves to His teachings.**

Taken from a lesson in Explore the Bible.
