GOD IS OMNISCIENT

Job said of God, “the wondrous works of him which is perfect in knowledge.” God is all-knowing. His knowledge extends to all things past, present and future.

His knowledge is complete and He is outside of time. For all eternity He has known what will come to pass. We have to admit, as Job did, we have finite knowledge and therefore, must trust His decisions as wise and good.

“O the depth of the riches both of wisdom and knowledge of God! How unsearchable are His judgments, and His ways past finding out.” Romans 11:33

“Known unto God are all His works from the beginning of the world.” Acts 15:18
