“Let’s Go to the Jerusalem Market Place”

Step back in time to where Jesus walked to the Cross. Smell the fresh, warm bread; weave a basket of reeds; make clay pots... Can you hear the music echoing through the Marketplace? Engage all senses as you transport your church to a different time and a fresh experience—and walk with Jesus today.

GOD IS OMNIPOTENT

God is all powerful. There is nothing He cannot do as long as it does not contradict His own nature or law. He has power and authority over all He created. I guess you can say there is one thing God can't do; **He cannot sin.** You would be right, for to do so would be against His perfect moral nature.

We rest in the belief that God, who has all power, is good and we are comforted by knowing that an all-powerful God is working for our good and joy.

God also has the power to save. When the disciples questioned who could be saved, Jesus answered them *“With men this is impossible, but with God all things are possible.”* — Matthew 19:26

Peter, speaking of the salvation wrought by Father, Son, and Holy Spirit, said that the hope the believer has in the resurrection of Jesus Christ provides for an inheritance that is incorruptible, and undefiled, and one that will not fade away.

We are kept by the power of God through faith unto salvation which will be revealed in the last time.
