## SONG OF THE MONTH

*Just a Little Talk with Jesus*

### LEARNING TO DANCE IN THE RAIN

This is a song by Jeff and Sheri Easter and it carries a powerful message. Basically it says that a little rain is going to fall on us and storms will come our way. But when we start praising God, things are going to change.

Do the simple things; smile when you feel like crying, live as if you were dying, praise God when you are in pain, stand when your heart is breaking, and hold to the cross when your hands are shaking.

When you call on God’s name you will get the victory. You will solve the mystery in your life when you learn to dance in the rain.
