FACING DOUBTS

We have all faced times of doubt in our life. But how did we handle it? Do those doubts still linger in our mind? Charles Swindoll says "Times of doubting become schoolrooms of learning, those places where a new kind of faith is forged." Learning is a slow process and so is dealing with doubt. However, if we let God shape our plan for dealing with doubt we can grow in faith. Over the next several weeks we will cover the steps Dr. Swindoll recommends for growing in faith as we cope with doubt. — *Randy Fagg*
